PRODUCTION PAINTERS TAPE

Production Painters Tape is for residential and commercial painting, primarily used for interior paint masking and spray painting. It is a moisture-resistant crepe paper masking tape with stain resistant pressure-sensitive rubber adhesive designed to stick firmly and securely to rough and uneven surfaces.

➤ Performance

- Good quick stick properties and high adhesion
- Clean removal within 24 hours
- Can withstand temperatures up to 150°F (66°C)

➤ Applications

- For hanging poly or paper draping
- Compatible for use on lacquer or polyurethane-coated surfaces, unfinished wood or painted wallboard and trim
- Can also be used for light bundling/packaging, splicing and tabbing
